✉ dharam3k@gmail.com | 🌐 DS013git | 📍 Kolkata, India

Skills

Languages : Python, C, c++, java, JavaScript , HTML/CSS, SQL (PostgreSQL, MySQL)

Frameworks Libraries : React.js, Node.js, Express.js, Pandas, NumPy, Matplotlib, PyTorch

Databases : MongoDB, PostgreSQL

Tools : Git, GitHub

PROJECTS

Todo App | *React.js, Tailwind CSS*

- Developed a responsive task management application with features for creating, updating, deleting, and organizing daily tasks.
- Implemented a clean and intuitive user interface using React.js components and Tailwind CSS.
- GitHub: github.com/DS013git/todo

Portfolio Website | *React.js, Tailwind CSS, GSAP*

- Designed and developed a personal portfolio website to showcase projects, technical skills, and achievements.
- Integrated GSAP animations to create engaging page transitions and interactive user experiences.
- GitHub: github.com/DS013git/mac_portfolio

Chat Application | *React.js, Stream Chat API*

- Built a real-time messaging platform with user authentication, channel creation, and instant messaging capabilities.
- Integrated Stream Chat API to support scalable real-time communication, typing indicators, and message history.
- Implemented responsive UI components and optimized state management for a smooth user experience.
- GitHub: github.com/DS013git/chat-app

Nutrition Tracker App | *React.js, Node.js, Express.js, MongoDB*

- Developed a full-stack nutrition tracking application to monitor daily calorie intake and nutritional goals.
- Built RESTful APIs using Express.js and Node.js and stored user data securely in MongoDB.
- Implemented meal logging, progress tracking, and dashboard analytics to help users maintain healthy habits.
- GitHub: github.com/DS013git/Calorie-Counter

EDUCATION

University of Engineering and Management, Kolkata

B.Tech in Computer Science and Engineering

Aug. 2024 – May 2028

Kolkata, India

- **CGPA:** 8.3/10.0
- **Coursework:** Data Structures and Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems, Computer Networks
